Patient Billing Statement:

- **Responsibility for payment of your account remains with you at all times;** and although you may have a pending insurance claim, we must look to you for payment regardless of the circumstances involved. Please contact us immediately if there is a problem with your claim or if it is related to OREGON WORKERS COMP, AUTO RELATED OR THE RESPONSIBILITY OF A THIRD PARTY PAYOR.
- You will receive a monthly statement showing itemized charges and the total due on your account. Payment in full is required in 30 days unless arrangements are made with our billing office.
- If you are not insured our billing department will be happy to arrange a reasonable payment plan with you.
- A \$30.00 no show charge may be assessed after two missed appointments within 1 year. Three no shows within a one year time frame may result in you being discharged from the practice.
- There will be a \$25.00 fee charged for all returned checks.
- NO CREDIT will be extended to patients having a delinquent account or who have been referred to a collection agency. If your account has to be referred to a collection agency two times you will be discharged from this practice.

INSURANCE BILLING:

NON-CONTRACTED PLANS: We handle billing for all contracted plans. As a courtesy to our patients with non-contracted plans we will bill your claim for you provided we have a current copy of your insurance card in your file at all times.

PREFERRED PROVIDER PLANS: With certain insurance companies, it is necessary for you to be treated by a preferred provider to ensure complete coverage. If your doctors are not on the preferred panel, you will be responsible for "non network provider" charges. Please call your insurance to verify that your insurance is preferred with our office.

OREGON WORKERS COMPENSATION: It is your responsibility to advise the receptionist PRIOR to your appointment that it is a work related injury! A separate workers comp form will be required. If the claim is DENIED or CLOSED or if you fail to inform us of the work related nature, including appropriate claim information, you will be responsible for all charges.

AUTO RELATED INJURY: All relevant auto insurance information must be on file in order for us to bill your auto insurance including date of injury, policy number and claim number (if applicable). Oregon is a no fault state meaning that we will bill YOUR insurance regardless of who's fault the accident is.

MEDICARE: Supplemental insurance processing will be provided when the required insurance information is presented at registration. Medicare considers some procedures and lab work as "not medically necessary". In this case you will be instructed of your rights and offered an ABN (Advanced beneficiary Notice) which will put any charges not covered by Medicare in your responsibility. If you do not wish to sign an ABN you may be asked to cancel your procedure. **Medicare requires that we have a current copy of your Medicare card on file!**

EOCCO: WE REQUIRE A CURRENT COPY OF YOUR CARD AT EACH VISIT. This allows us to determine which physician you are assigned to. If we cannot determine eligibility, cash will be required at the time of service.

OHP (OPEN CARD) WE DO NOT ACCEPT THE OPEN CARD UNLESS IT IS SECONDARY TO MEDICARE!!!!

SECONDARY INSURANCE: We will bill your secondary insurance providing we have current copies of your card and all information necessary to bill the claim. If the information is not available you will be responsible for any balances not paid by your primary insurance.

ASSIGNMENT OF BENEFITS:

I/We hereby agree to have insurance benefits sent directly to HARRISON FAMILY MEDICINE. I/WE understand that I/we are responsible for those charges not paid by the insurance company as noted in the terms in this agreement. I/we are additionally responsible for follow up billing of my insurance company unless otherwise instructed by this clinic. I/We hereby authorize the release of essential information to such insurance companies to establish my claim. I/We understand my insurance will not be billed without a current copy of my insurance card on file.

I/We understand and agree to the Harrison Family Medicine financial policy.
